MMG
AUTO

Welcome to The Ship!

On behalf of the SWM Board & Staff, I would like to welcome you all to 'The Ship' for our second home games of the 2024 Mitsubishi Motors NBL1 North season.

It was a great atmosphere at The Ship last weekend, with both teams walking away victorious. I look forward to hearing all our supporters voices once again tonight to bring both our teams home in what promises to be two great games.

I would also like to welcome the Ipswich Force to 'The Ship' tonight in the first leg of our matchup with them this the season.

Our Women grinded out another solid win against Gold Coast once again last week & improve to 2-0. They will be looking to continue that upward trend tonight & stay unbeaten.

Our Men turned the tables on the result from Round 1 & got the job done against the Rollers on our floor. They will have to perform at a high level again tonight to tackle the Sobey & Mitchell led Force to improve to 2-1.

Thank you to all our NBL1 player & corporate partners. We certainly couldn't do it without your support throughout the season. Especially our naming rights partner MMG Auto.

I hope you enjoy the games tonight as our season continues.

GO PIRATES!

Chris

From our Coaches

I was really proud of our defensive effort in the game last Saturday, particularly the 4th quarter when we held them scoreless for almost 7 min. Offensively we improved our shot selection from 3 pt range, now we need to see better results. Leah was outstanding getting to the rim and finishing and I thought as a team we were more aggressive going to the rim. Ipswich has several threats, so we will have to defend as a team at a high level against them tonight. Looking forward to a great game.

Jon Newlee

We are looking forward to to our game heading into week 3 against Ipswich. We have a new first assistant coach Pat Ewing Jr providing some great experience and insight for our team. Facing off against Ipswich's formidable lineup, we are preparing for a battle all four quarters. We are excited for the opportunity to develop as a team, focusing on solidifying our offensive and defensive identity.
